## Whiteband

11 February 2009

The screenshot shows a Mozilla Firefox browser window displaying the Sunburnt Demo Server. The title bar reads "Home :: Sunburnt Demo Server - Mozilla Firefox". The menu bar includes "Berkas", "Ubah", "Tampilan", "Biwayat", "Delicious", "Bookmark", "Alat", and "Bantuan". The address bar shows the URL "http://demo.sunburnt.com.au/". The main content area features a large image of a fountain pen with a feather quill. Below the image is a navigation bar with links for "Photos", "Store", "Products", "Services", and "Contact". On the left, there's a section titled "Sunburnt Demo Server" with instructions for logging in using the demo@sunburnt.com.au username and password. It also lists two sample entries under "Latest Additions": "Muggle Balling" (05 Feb 2009) and "Horcrux Demolition" (05 Feb 2009). The right side contains placeholder text in Latin (Lorem Ipsum) and some sample content.
