Last Chance To Get Online For Free

By [Roger Keays](#), 14 May 2009

Dear current and prospective Sunburnt customers,

Earlier this year we announced an offer which enables you to get online at absolutely zero cost by [registering for a free stock website](#). This offer will be closing at the **end of May**, and we will return to selling our stock website packages for AU\$795. This is your last chance to take advantage of the free setup offer!

[Visit www.getsunburnt.com](http://www.getsunburnt.com) to register for a free website.

If you have already registered for a trial and wish to capitalise on this offer, you must activate your server by June 1. Check your email for the activation link, or visit the Billing Details page when you login. You will be unable to activate your trial after June 1.

Free support via the forum will also be ending with the close of this offer. Paid support by email and phone will always be available. Please note that all email and phone support incurs a charge according to our [price schedule](#).

Take advantage of this offer before it's too late!
