New Website Product Range

By [Roger Keays](#), 26 February 2008

Hi all. In response to the demand for small, cheap, editable websites we have prepared a few new products for our customers.

The first new product, [Page Magic](#), is a simple one-page website which you can edit and customize yourself which only costs **\$120** / yr including a domain name (**\$90** / yr if you already have a domain name). You can [more about Page Magic online](#).

We have also created three new editions of [Website Magic](#) (previously called Site Manager) and partnered with Template World to offer new customers a [choice of over 900 professional designs](#) for free with their new websites.

The three new editions are priced according to the features you need for your website:

Starter Edition:

\$495 setup +
\$120 / yr hosting

- Single administrator login
- Update your website anytime
- Choose from 900+ professional designs
- Create up to 6 pages, including a contact form

Standard Edition:

\$995 setup +
\$240 / yr hosting

- Single administrator login
- Update your website anytime
- Choose from 900+ professional designs
- Create unlimited pages and articles

Pro Edition:

\$1,495 setup +
\$240 / yr hosting

- Multiple administrator logins
- Update your website anytime
- Choose from 900+ professional designs

- Create unlimited pages and articles
- Integrated search
- Manage mailing list subscriptions and online publications

For customers looking to build an online store, we have created [Store Magic](#), complete with a credit card payment system, automatic email invoicing, backed by a double-entry accounting system and available for \$1,995 setup and \$240 / yr hosting.

Existing customers please note that the prices for some of our services, including support, have changed. A current prices are available online at <http://www.sunburnt.com.au/info/prices>.
