## Website Builder

Are you looking for an attractive and affordable website that is easy to edit yourself? Do you use email or want to market yourself using a mailing list? Need an online forum, store or accounting system?

Well, a Sunburnt Server gives you all this and more, AND thanks to our simple DIY system it won't even cost you a cent to get started.

- Easily create a website with just a few clicks;
- Choose from our collection of beautiful designs and customise them with your own logo;
- Edit and update your website at any time, from anywhere;
- View your live web statistics and see how your website is performing in Google and other search engines;
- Create a mailing list to send your customers and visitors your announcements and specials;
- Setup a secure online store complete with a shopping cart and credit card processing;
- Even manage your invoices and accounts with our Sunburnt Accounting application.

There are literally no limits to what you can do with your Sunburnt Server. Create as many web pages as you like, attract as much traffic to your site as possible, set up an unlimited number of email accounts and mailing lists and send as much email as you can handle.

Getting online with Sunburnt couldn't be easier and when you need help, our comprehensive collection of video tutorials and articles are just a click away. Or drop us a message on our free support forum and we'd be more than happy to assist you.

Put your business in the perfect position to grow and thrive online. Get started now by registering for your free trial - we know you're going to love your Sunburnt Server!
